Warren County Sheriff's Office Investigating Home Invasion

On March 24, 2014, an elderly Franklin Township man was the victim of a home invasion robbery. Two males came to the victim's Franklin Township home and asked about buying a car. The two suspects entered the home and tied the victim up and stole numerous items from his home. The suspects then left the victim's home in a tan or white car.

The victim was able to free himself and contact the Sheriff's Office. Sheriff's Investigators believe the two men and one woman attached to this press release were involved in the home invasion. The first male is described as white, 28-32 years of age, 5'10, with short dark hair and light beard. The second is described as younger and taller than the first suspect. The suspects are believed to be in the Dayton Ohio area.

Anyone with information is asked to contact the Warren County Sheriff's Office.
