Infant Death

UPDATE

May 30, 2018
1430hrs.

On May 30, 2018, an autopsy was performed by the Montgomery County Coroner's Office. Preliminary results indicate no signs of foul play related to this infant death. The autopsy report will not be finalized until after the toxicology report comes back.

May 29th, 2018
1600hrs.

On May 29th, 2018, at approximately 9:52 a.m. Warren County Deputies and the Harveysburg Police Department were called to 5321 Harveysburg Rd. in Harveysburg Ohio for an infant not breathing. The infant was transported to Clinton Memorial Hospital where the infant was later pronounced deceased. The Warren County Sheriff's Office is handling this on going investigation.
