MEDIA RELEASE

December 13, 2019 at 7:00 a.m.

Shooting Investigation

Early this morning deputies were called to the 1800 block of Oregonia Road, Lebanon for a report of prowlers in the area. Shortly after arriving, two individuals suffering from gunshot wounds were located.

While we are still very early into this investigation, we strongly believe there is no danger to residents, and ask for patience while our detectives and crime scene unit process the area.

We are not releasing any information on the individuals who were shot at this time.

Barry K. Riley
Chief Deputy
