

LARRY L. SIMS
SHERIFF

BARRY K. RILEY
CHIEF DEPUTY

WARREN COUNTY SHERIFF'S OFFICE

Media Release
Monday, June 19 2017
4:00 P.M.

SCAM NOTICE

The Warren County Sheriff's Office has received numerous calls today from residents within the County and some from other areas of Ohio regarding receiving phone calls from an individual, who represents himself as a member of our office.

The individual warns the recipient of the call they have missed a court date and an arrest warrant has been issued. The recipient must pay fees to have the warrant for their arrest lifted. They instruct you to purchase Moneypak cards, which can be purchased at most local retailers, and have money loaded onto the cards and to call them back with the card number.

The phone number the scammer is calling from is **513 299 7859**, which is not associated in any way with the Warren County Sheriff's Office, nor does this office call the public to collect money.

We urge anyone who has received these types of calls to contact their local law enforcement agency to report the incident. Also, be mindful there are times when these scammers will represent themselves as members of our office by using actual agency member names, which are available on our website. When in doubt, report the incident and limit your conversation with them.

By: Major Brian Tinch

Authority: Chief Barry Riley
