FOR IMMEDIATE RELEASE

April 21, 2014

11:00 PM

Members of the Warren County Tactical Response Unit were involved in an officer-involved shooting tonight at 4861 Lebanon Road in South Lebanon. The unit was called to the scene shortly before 5:00 PM late Monday afternoon after a male in the residence threatened uniformed deputies and then barricaded himself with at least one firearm. Deputies were at the residence attempting to serve a Domestic Violence Protection Order.

Gary Cook, 56, of that address was the subject of the court order and was required to leave the residence after relatives petitioned the court. Mr. Cook was shot when he took aggressive action against uniformed and tactical team officers who were on the scene. He was pronounced dead at the scene.

Officers have been placed on paid administrative leave which is routine in this type of incident.

The incident is under investigation. Further details will be released as they become available.
