MEDIA RELEASE

National Prescription Drug Take Back Day

WARREN COUNTY SHERIFF'S OFFICE, WARREN COUNTY DRUG TASK FORCE, MASON POLICE DEPARTMENT AND THE DRUG ENFORCEMENT ADMINISTRATION TAKING BACK UNWANTED PRESCRIPTION DRUGS OCTOBER 24, 2020

Deerfield Township, Mason, OH – On Saturday, October 24, from 10 a.m. to 2 p.m. the Warren County Sheriff's Office, Warren County Drug Task Force, Mason Police Department, and the Drug Enforcement Administration (DEA) will provide the public the opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to Kroger at 5100 Terra Firma Drive, Mason. (Sites cannot accept liquids, needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

This is DEA's 19th nationwide event since its inception 10 years ago.

Last fall, Americans turned in nearly 883,000 pounds of prescription drugs at nearly 6,300 sites operated by the DEA and almost 5,000 of its state and local law enforcement partners. DEA, along with its law enforcement partners, has now collected nearly 6,350 tons of expired, unused, and unwanted prescription medications since the inception of the initiative in 2010.

To keep everyone safe, collection sites will follow local COVID-19 guidelines and regulations.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs.

In addition to DEA's National Prescription Drug Take Back Day, there are many other ways to dispose of unwanted prescription drugs every day, including the 11,000 authorized collectors that are available all year long. For more information, visit [DEA's year-round collection site locator](#). The FDA also provides information on how to properly dispose of prescription drugs. More information is available here: <https://www.fda.gov/consumers/consumer-updates/where-and-how-dispose-unused-medicines>. For more information about the disposal of prescription drugs or about the October 24 Take Back Day event, go to www.DEATakeBack.com.

National Prescription Drug
